OnRISC: Where do I get kernel source for OnRISC devices?

Kernel source is provided on the DVD "Software". There is also <u>SVN repository</u> providing the newest kernel sources. For kernel compilation instructions see our <u>User Manual</u> .

Examle (check out and compile kernel 2.6.33 for OnRISC Alekto):

- svn co svn://svn.visionsystems.de/linux-2.6.33-OnRISC/trunk linux-2.6.33-OnRISC/trunk

- cd linux-2.6.33-OnRISC/trunk

- make onrisc_ks8695_defconfig

- make
